

From the Editorial Board

The editors of the quarterly *Culture and Values* express their gratitude to all those who have reviewed the texts published in this issue. We would like to inform you that a personal list of the reviewers will be published in the last (December) issue of the periodical; it will include all those who have reviewed texts in 2013.

The editors of *Culture and Values* would like to invite you to participate in the academic conference entitled “From the Idea of Progress to the Idea of Crisis” (“Od idei postępu do idei kryzysu”), which will take place under the auspices of the quarterly *Culture and Values* in Lublin, 27–28 January 2014. More information is available at the conference’s official website:

We invite all researchers who would like to deal with the problematic of our quarterly – both scholars and PhD students – to cooperate with us. We accept texts in Polish, English and German. The submission guidelines are available by clicking the appropriate bookmark on our website.

The forthcoming issue of *Culture and Values* will be dedicated to the current and historical theories of values and centred round the following topic: “Axiology, Ethics and Aesthetics: Problems, Debates, Positions”. The issue will be published in December 2013.
